Independent Auditor's Review Report on Standalone Unaudited Quarterly and Year to Date Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

TO

The Board of Directors of DCW Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of DCW Limited ("the Company") for the quarter and half year ended September 30, 2025 ("the statement"), being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended.
2. This statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on these financial results based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Emphasis of Matters

5. We draw attention to Note No.4 to the unaudited financial results for the quarter and half year ended September 30, 2025, which describes the uncertainty related to the outcome of the petitions/appeals filed by the company in the matter of.
 - a. Electricity Tax demand of Rs. 5,491.45 lakhs on captive power generated and other matters during the period 2003 to 2022;

- b. Customs Duty demand of Rs. 3,164.60 lakhs of coal imported by the company during 2011 and 2012; and
- c. In the matter of re-possession notice issued by the State Government and demand of lease rent relating to land at Sahupuram works for which the assignment deeds are still to be executed, the Hon'ble Madras High Court, Madurai Bench vide Order dt 26.2.2024 set aside the order of the State Government and remanded back for fresh consideration. The High Court also gave direction to the revenue authorities to fix the land cost depending upon the market value of the land as on the date of the Order and considering the fact that the company has made huge investments in the said lands believing the words of the Government in G.O. Ms. No.76 Revenue Department dt. 7.1.1959. The Government filed Writ Appeal in the Madras High Court seeking stay of the High Court Order dated February 26, 2024. The Madras High Court Division Bench by its Order dated June 13, 2025, has held that the Company shall not be evicted till the disposal of the Writ Appeal and there shall be an interim stay. The determination of cost of land by the revenue authorities is pending. The company does not expect the outflow of resources to be material.
- d. Demand of Rs 106.08 lakhs raised by the income tax authorities and orders issued by the Income Tax authorities which have the effect of reducing the MAT credit available by Rs 2,893.15 lakhs for various AYs starting from AY 2015-16 to AY 2024-25 consequent to search carried out in the month of November 2023. The company has been advised by its Tax expert that the above Tax demands/ the denial of MAT credit under the above referred orders are not tenable in law. The Company has filed appeals against the above said orders and the penalty notices under the applicable laws.

No provision has been made for the aforesaid demands in view of the factors stated in the said note.

Our conclusion is not modified in respect of these matters.
